RAHAINAT KAZEEM

Remote Executive Assistant

rahainatozavize49@gmail.com | +234 816 449 5131 (WhatsApp) | linkedin.com/in/rahainatozavize | Nigeria (Remote)

PROFESSIONAL SUMMARY

Remote executive assistant who supports founders, CEOs, and business teams across the US and UK. Experienced in scheduling and booking meetings with executives, coordinating day-to-day tasks and operations in ClickUp and Slack, keeping CRM and client records accurate, and handling professional communication by phone, email, and SMS. Brings a background in sales and customer support, from prospect research to guiding customers from first inquiry to registration. Skilled in Google Workspace, Microsoft Office, GoHighLevel, HubSpot, and Zoom.

CORE COMPETENCIES

Executive & Administrative Support • Calendar & Meeting Management • Task & Operations Coordination • Email, Phone & SMS Communication • Records, CRM & Data Management • Research & Reporting • Workflow Automation (GoHighLevel) • Customer Support & Follow-up • Lead Generation & Prospecting • Social Media Scheduling & Content Support

PROFESSIONAL EXPERIENCE

Breakaway Hoops — Virtual Assistant

August 2026 – Present | New York, USA (Remote)

- Support day-to-day administration and program operations for a youth basketball training organization, coordinating work through ClickUp and team communication in Slack.
- Manage assigned tasks, organize follow-ups, and keep task updates and communication clear within the right program channels.
- Support program scheduling and participant records in SportsPlus, checking program details and keeping records organized.
- Use GoHighLevel to maintain CRM records, send SMS/email communication, manage follow-ups, and troubleshoot workflow issues.
- Follow up with families inquiring about the Weekend Fundamental Clinic, understand each child's needs, and guide them to a trial session or registration.
- Manage phone and text follow-ups through JustCall and track work time in Clockify, following internal SOPs and onboarding procedures.

Smart Grid Forums — Research Executive

June 2025 – June 2026 | United Kingdom (Remote)

- Scheduled appointments and strategy calls between qualified prospects and company executives.
- Used HubSpot to update lead records, log activities, manage pipelines, and track prospect communication.
- Researched companies and decision-makers to identify sponsors and exhibitors for the SGT27 Geneva conference.
- Built targeted prospect lists using Apollo, Ensun, LinkedIn Sales Navigator, Hunter, and ContactOut.
- Generated 300+ researched leads weekly and supported sponsorship outreach through qualification and follow-up.

Building Envelope Management — Executive Assistant
February 2023 – April 2025 | Miami, Florida, USA (Remote)

- Booked qualified meetings with property managers directly into the CEO's calendar.
- Managed follow-up activity in GoHighLevel and built workflows and triggers for automated follow-ups and lead nurturing.
- Scheduled social media content in Hootsuite, designed promotional graphics in Canva, and created AI-avatar videos with HeyGen.
- Ran email outreach campaigns to approximately 30 leads per day.
- Improved follow-up consistency through automated workflows.

EDUCATION

Higher National Diploma (HND) in Biochemistry | 2024
